Portfolio Supplementary Additional Estimates Statements (No. 2)
are hereby declared to be relevant documents for the purposes of
section 15AB of the Acts Interpretation Act 1901.

Note: See paragraph 15AB(2)(g) of the Acts Interpretation Act 1901.

Part 2—Basic appropriations

6 Summary of basic appropriations

The total of the items specified in Schedule 2 is $501,897,000.

Note 1: Items in Schedule 2 can be adjusted under Part 3 of this Act and under section 12 of the Appropriation Act (No. 1) 2007-2008 (as modified by section 11 of the Appropriation Act (No. 5) 2007-2008).

Note 2: See also sections 30 to 32 of the Financial Management and Accountability Act 1997, which provide for adjustments of amounts appropriated by this Act.

7 State, ACT, NT and local government items—basic appropriation

(1) For a State, ACT, NT and local government item for an outcome of an entity, the Finance Minister may issue out of the Consolidated Revenue Fund amounts that do not exceed, in total, the lesser of:

(a) the amount specified in the item; and

(b) the amount determined by the Finance Minister in relation to the item, having regard to the expenses incurred by the entity in the current year in relation to the item.

(2) An amount issued out of the Consolidated Revenue Fund for a State, ACT, NT and local government item for an outcome of an entity may only be applied for the purpose of making payments to or for the States, the Australian Capital Territory, the Northern Territory and local government authorities for the purpose of contributing to achieving that outcome.

(3) A determination made under paragraph (1)(b) is not a legislative instrument.

8 Administered items—basic appropriation

(1) For an administered item for an outcome of an entity, the Finance Minister may issue out of the Consolidated Revenue Fund amounts that do not exceed, in total, the lesser of:

(a) the amount specified in the item; and
(b) the amount determined by the Finance Minister in relation to
the item, having regard to the expenses incurred by the entity
in the current year in relation to the item.

(2) An amount issued out of the Consolidated Revenue Fund for an
administered item for an outcome of an entity may only be applied
for expenditure for the purpose of carrying out activities for the
purpose of contributing to achieving that outcome.

Note: The acquisition of new administered assets will usually be funded
from an administered assets and liabilities item.

(3) A determination made under paragraph (1)(b) is not a legislative
instrument.

9 Administered assets and liabilities items—basic appropriation

(1) For an administered assets and liabilities item for an entity, the
Finance Minister may issue out of the Consolidated Revenue Fund
amounts that do not exceed, in total, the amount specified in the
item.

(2) An amount issued out of the Consolidated Revenue Fund for an
administered assets and liabilities item for an entity may only be
applied for expenditure for the purpose of carrying out activities
for the purpose of contributing to achieving any outcome that is
specified in relation to the entity:

(a) in Schedule 2 to this Act; or
(b) in Schedule 1 to the Appropriation Act (No. 5) 2007-2008; or
(c) in Schedule 2 to the Appropriation Act (No. 4) 2007-2008; or
(d) in Schedule 1 to the Appropriation Act (No. 3) 2007-2008; or
(e) in Schedule 2 to the Appropriation (Drought and Equine
Influenza Assistance) Act (No. 2) 2007-2008; or
(f) in Schedule 1 to the Appropriation (Drought and Equine
Influenza Assistance) Act (No. 1) 2007-2008; or
(g) in Schedule 2 to the Appropriation (Northern Territory
National Emergency Response) Act (No. 2) 2007-2008; or
(h) in Schedule 1 to the Appropriation (Northern Territory
National Emergency Response) Act (No. 1) 2007-2008; or
(i) in Schedule 2 to the Appropriation Act (No. 2) 2007-2008; or
10 Other departmental items—basic appropriation

(1) For an other departmental item for an entity, the Finance Minister may issue out of the Consolidated Revenue Fund amounts that do not exceed, in total, the amount specified in the item.

Note: Generally, the Finance Minister is permitted, but not obliged, to issue the amounts out of the Consolidated Revenue Fund. However, subsection (3) imposes an obligation on the Finance Minister to issue the amounts in certain circumstances.

(2) An amount issued out of the Consolidated Revenue Fund for an other departmental item may only be applied for the departmental expenditure of the entity.

(3) If:

(a) an Act provides that an entity must be paid amounts that are appropriated by the Parliament for the purposes of the entity; and

(b) Schedule 2 contains an other departmental item for that entity;

then the Finance Minister, under subsection (1), must issue out of the Consolidated Revenue Fund the full amount specified in the item.
Part 3—Adjustments to basic appropriations

11 Reduction of appropriations upon request

(1) The Finance Minister may, upon written request by a Minister, make a written determination reducing an administered assets and liabilities item or an other departmental item for an entity for which the Minister is responsible by the amount specified in the determination.

(2) The Finance Minister may, upon written request by the Chief Executive of an entity for which the Finance Minister is responsible, make a written determination reducing an administered assets and liabilities item or an other departmental item for that entity by the amount specified in the determination.

(3) Where a determination is made, the amount specified in the item is taken to have been reduced by the amount specified in the determination.

(4) However, a determination is of no effect if the determination has not been requested under subsection (1) or (2).

(5) In addition, a determination reduces an amount specified in the item only to the extent that the amount of the reduction is no greater than the lesser of the following:

(a) the amount requested under subsection (1) or (2);

(b) the difference between the amount specified in the item and the amount issued out of the Consolidated Revenue Fund by the Finance Minister in respect of that item.

(6) For the purposes of paragraph (5)(b), an amount is not taken to have been issued by the Finance Minister until the amount is paid out of the Consolidated Revenue Fund.

(7) To avoid doubt, where a previous determination has been made in relation to an item, the reference in paragraph (5)(b) to the amount specified in the item is taken to be a reference to the amount.
Part 3 Adjustments to basic appropriations

Section 12

specified in the item as reduced by that previous determination and any other previous determination.

(8) To avoid doubt, a determination made under subsection (1) or (2) applies despite any other provision of this Act.

(9) A determination made under subsection (1) or (2) is a legislative instrument and, despite subsection 44(2) of the Legislative Instruments Act 2003, section 42 (disallowance) of that Act applies to the determination. However, Part 6 (sunsetting) of that Act does not apply to the determination.

(10) A written request made under subsection (1) or (2) is not a legislative instrument.

12 Advance to the Finance Minister

(1) This section applies if the Finance Minister is satisfied that:

(a) there is an urgent need for expenditure, in the current year, that is not provided for, or is insufficiently provided for, in Schedule 2; and

(b) the additional expenditure is not provided for, or is insufficiently provided for, in Schedule 2:

(i) because of an erroneous omission or understatement; or

(ii) because the additional expenditure was unforeseen until after the last day on which it was practicable to provide for it in the Bill for this Act before that Bill was introduced into the House of Representatives.

(2) This Act has effect as if Schedule 2 were amended, in accordance with a determination of the Finance Minister, to make provision for so much (if any) of the additional expenditure as the Finance Minister determines.

(3) The total of the amounts determined:

(a) under this section; and

(b) under section 12 of the Appropriation Act (No. 2) 2007-2008; and

(c) under section 12 of the Appropriation Act (No. 4) 2007-2008; cannot be more than $215 million.
(4) However, if:

(a) an amount determined by the Finance Minister under section 12 of the Appropriation Act (No. 2) 2007-2008 is recovered from an amount set out in:

(i) Schedule 2 to the Appropriation (Drought and Equine Influenza Assistance) Act (No. 2) 2007-2008; or

(ii) Schedule 2 to the Appropriation Act (No. 4) 2007-2008; or

(iii) Schedule 2 to this Act; or

(b) an amount determined by the Finance Minister under section 12 of the Appropriation Act (No. 4) 2007-2008 is recovered from an amount set out in:

(i) Schedule 2 to the Appropriation (Drought and Equine Influenza Assistance) Act (No. 2) 2007-2008; or

(ii) Schedule 2 to this Act;

the determined amount is to be disregarded for the purposes of subsection (3).

(5) A determination made under subsection (2) is a legislative instrument, but neither section 42 (disallowance) nor Part 6 (sunsetting) of the Legislative Instruments Act 2003 applies to the determination.
Part 4—Miscellaneous

13 Crediting amounts to Special Accounts

If any of the purposes of a Special Account is a purpose that is covered by an item (whether or not the item expressly refers to the Special Account), then amounts may be debited against the appropriation for that item and credited to that Special Account.

14 Conditions etc. applying to State, ACT, NT and local government items

(1) This section applies to any payment made out of money appropriated by a State, ACT, NT and local government item for an outcome specified in column 2 of the table in Schedule 1.

(2) The payment:
   (a) must be made on the terms and conditions (if any) from time to time determined, in the way described in subsection (3), as applying to payments made:
      (i) in relation to the outcome; and
      (ii) to or for a State, the Australian Capital Territory, the Northern Territory or a local government authority; and
      (iii) out of money appropriated by an annual Appropriation Act; and
   (b) must be made in accordance with any determination in writing made by the Minister specified, in column 4 of the table in Schedule 1, for the outcome as to amounts and times of payments.

(3) The way of determining the terms and conditions applying to payments described in paragraph (2)(a) is for the Minister specified, in column 3 of the table in Schedule 1, for the outcome to make the determination in writing before or after the commencement of this Act.
(4) Determinations mentioned in paragraph (2)(a) and determinations made under paragraph (2)(b) are not legislative instruments.

(5) This section does not limit the Commonwealth’s power to:
   (a) apply terms and conditions to payments made out of money that is not appropriated by a State, ACT, NT and local government item; or
   (b) determine the amounts and times of those payments.

15 Appropriation of the Consolidated Revenue Fund

The Consolidated Revenue Fund is appropriated as necessary for the purposes of this Act, including the operation of this Act as affected by the Financial Management and Accountability Act 1997.
