USER GUIDE

The purpose of the Portfolio Supplementary Estimates Statements (PSES) is to explain Appropriation (Economic Security Strategy) Bills (No. 1) and (No. 2) 2008-09. This document serves to inform senators and members of parliament and the public of the proposed allocation of supplementary appropriations to Government outcomes by agencies within the Treasury portfolio.

The PSES are declared by the Appropriation (Economic Security Strategy) Bills (No. 1) and (No. 2) to be a ‘relevant document’ to the interpretation of the Bill according to section 15AB of the Acts Interpretation Act 1901.

Whereas the PSES are focused on explaining the supplementary estimates appropriations, information on total 2008-09 Budget resourcing, planned performance, and a full set of agency budgeted financial statements can be found in the 2008-09 Portfolio Budget Statements which accompanied the 2008-09 annual appropriation Bills.
